### **IV. Considerations**

An additional plan or amendment request should be as specific as possible.

- How many people are affected? Where must boundaries be amended to equalize population across all districts?
- Will districts be contiguous?
- Will it comply with the Voting Rights Act? Will it deny or abridge the right of any citizen to vote on account of that person's race or membership in a language minority group, or dilute the impact of that racial or language minority group's electoral influence?
- Are communities of interest preserved or severed?
- Are political subdivisions preserved or severed?
- Will districts be more or less compact?
- Will districts be more or less politically competitive?
