11:20:27 AM

Chair Hass and Chair Espinoza gave opening remarks before introducing the informational redistricting video.

11:36:54 AM

Peter Healey, representing self, testified. He stated that the right to representation belongs to all, while the right to govern belongs to the majority.

11:41:08 AM

Mr. Jessie Vance, Mayor of Eckley, representing self, testified. He stated that Washington County has nothing to do with the Arkansas River Basin and that commissioners need to be careful about splitting counties that share services like medical, education.

11:44:32 AM

Gena Miller-Ramey, representing self, testified. She stated that they liked CD4 and asked the commissioners to continue to consider rural counties. They reiterated previous points that Washington County would be better grouped within a northern district instead of a southern district.

11:48:25 AM

Duane Brown, representing self, testified. He shared concerns with Washington County not being part of House District 65 and concerns with CD 4 pushing too far southwest.

11:52:46 AM

Stan Hitchcock, Carson County commissioner, representing self, testified. They reiterated previous points that Washington County is a better fit in northern districts.

11:54:04 AM

Commissioners asked follow up questions.

11:56:50 AM

The committee adjourned.
